Dear Potential Member,

I invite you to become a member of the North American Marine Environment Protection Association (NAMEPA) today! As you may know, NAMEPA is an **industry-led** organization of environmental stewards preserving the marine environment by promoting sustainable marine industry best practices and educating seafarers, students and the public about the need and strategies for protecting global ocean, lake and river resources.

As a valued member of the marine industry who is known to be a responsible steward of the marine environment, your organization will benefit as a NAMEPA member in the following ways:

- Participation in a network of marine industry organizations with an interest in promoting sound environmental practices
- Collaboration with leaders in industry, government, regulatory, conservation, and educational organizations committed to preserving the marine environment
- Access to community relations programs and educational materials enabling your company to be advocates within your communities and students for them to be active stewards of the marine environment
- Endorsement of your company, the marine industry, and the marine environment through leadership and participation in industry events and strategic alliances on a global basis

In addition to the above benefits, our members receive discounted rates at all our industry events.

Join today and begin to see the benefits of membership while committing to NAMEPA's mission to "Save Our Seas".

If you have additional questions, please contact me.

Best Regards,

Carleen
