

# Clean Up Data Form

**Citizen Scientist! Pick up all trash and record the number of and type of each item collected. Every piece counts, no matter how small, toward the goal to Save Our Seas!**

|                                    |  |
|------------------------------------|--|
| Date of clean-up: _____            | Location of clean-up: _____  |
| #of participants: _____            | Group or Organization Name: _____                                    |
| Duration of clean-up (time): _____ | Length of area (miles): _____ Total weight of trash collected: _____ |

Instructions: Below are the main items found broken down into categories i.e. plastic, metal. Record all trash picked up using the below form and add total number of items collected at the completion of the clean up

Example:

| Plastic        | # of items | Total |
|----------------|------------|-------|
| Plastic straws |            | 9     |

Completed data sheets are to be returned to event coordinator or inputted into the appropriate online database as instructed by event coordinator.

| Plastic                                       | # of items | Total |
|---|------------|-------|
| Plastic beverage bottles                      |            |       |
| Plastic shopping/ grocery bags                |            |       |
| Plastic straws                                |            |       |
| Plastic cups                                  |            |       |
| Plastic utensils                              |            |       |
| Plastic food wrappers (candy, chip bags, etc) |            |       |
| Plastic lids (coffee lids, yogurt lids)       |            |       |
| Plastic take out containers                   |            |       |
| Plastic 6-Pack Holders                        |            |       |
| Plastic Bags Other: (Zip-Lock, Trash, etc.)   |            |       |
| Plastic Bottle Caps + Rings                   |            |       |
| Plastic bottles other                         |            |       |

\*For your own safety and health, NEVER touch or pickup sharp needles, objects nor dead/injured animals. Report item to event coordinator for proper disposal.

| Glass                  | # of items | Total |
|------------------------|------------|-------|
| Glass beverage bottles |            |       |
| Glass other            |            |       |

| Metal                    | # of items | Total |
|--------------------------|------------|-------|
| Metal Bottle Caps        |            |       |
| Aluminum Cans (Beverage) |            |       |
| Cans (Other Metal)       |            |       |

  

| Foam                     | # of items | Total |
|--------------------------|------------|-------|
| Foam cups                |            |       |
| Foam take out containers |            |       |

| Paper                    | # of items | Total |
|--------------------------|------------|-------|
| Paper plates             |            |       |
| Paper cups               |            |       |
| Paper napkins/<br>towels |            |       |
| Paper bags               |            |       |
| Packaging<br>Material    | # of items | Total |
| Packing pea-<br>nuts     |            |       |
| Rope                     |            |       |
| Cardboard box            |            |       |

| Fishing Gear                     | # of items | Total |
|----------------------------------|------------|-------|
| Fishing buoys,<br>pots, traps    |            |       |
| Fishing nets                     |            |       |
| Fishing line                     |            |       |
| Fishing hooks,<br>sinkers, lures |            |       |

| Fragments (smaller<br>than a quarter) | # of items | Total |
|---------------------------------------|------------|-------|
| Foam fragments                        |            |       |
| Plastic fragments                     |            |       |
| Metal fragments                       |            |       |
| Glass fragments                       |            |       |

| Dead/Injured<br>animal* | Status:<br>dead or injured | Entangled<br>(yes or no) and<br>entanglement item |
|-------------------------|----------------------------|---|
|                         |                            |   |
|                         |                            |   |
|                         |                            |   |

| Other—specific         | # of items | Total |
|------------------------|------------|-------|
| Cigarette butts        |            |       |
| Cigarette lighters     |            |       |
| Balloons               |            |       |
| Appliances             |            |       |
| Fireworks              |            |       |
