Educate, Advocate, Activate!

Caribbean Marine Environment Protection Association

# CARIBMEPA

## About CARIBMEPA

- Consolidator for marine environment issues and actions in the Caribbean
- Umbrella for engaging industry, regulators, governments, conservation groups, educators, and more in protecting the marine environment
- Acts as a focal point for facilitating the implementation of MARPOL in the Caribbean
- Educate the public about protecting the marine environment

## What is its work program?

- Facilitate development of legislation and strategies for implementing MARPOL and response
- Support the development of MARPOL Training Academy in the Caribbean
- Facilitate a potentially polluting wreck prioritization program
- Participate in development of regional waste disposal strategies
- Educate the public- Beach cleanups, school education projects, art contests, etc.

## CARIBMEPA Membership Form

We hereby voluntarily commit on board and ashore ourselves to support the aims of the *Caribbean Marine Environment Protection Association, CARIBMEPA*, as stated in its Voluntary Founding Declaration of 25th October 2007 and the Action Plan for the prevention of ship generated marine pollution and development of safety mindedness on board. Moreover, we accept the Guiding Principles of the Association.
