BENEFITS

- **Participation** in a network of marine industry organizations with an interest in promoting sound environmental practices
- **Collaboration** with leaders in industry, government, regulatory, conservation, and educational organizations committed to preserving the marine environment
- **Access** to community relations programs and educational materials advocating communities and students to be active stewards of the marine environment
- **Endorsement** of your company, the marine industry, and the marine environment through leadership and participation in industry events and strategic alliances on a global basis

OUR MISSION

The North American Marine Environment Protection Association (NAMEPA) is a marine industry-led organization of environmental stewards preserving the marine environment by promoting sustainable marine industry best practices and educating seafarers, students and the public about the need and strategies for protecting global ocean, lake and river resources.

WHY NAMEPA?

HANDS ON:

Industry, students, communities, seafarers, conservationists, regulators

PROACTIVE:

Industry advocacy, workforce development

ENGAGED:

Community, corporate, industry and seafarer programming

TESTIMONIALS

“...uniquely well-positioned to coordinate the initiatives required by this approach across the widest range of stakeholders within industry, government and the public at large.”

— Joe Hughes, SCB, Inc.

“Being a member of NAMEPA validates our efforts to protect our environment together with NAMEPA members commitment towards a common goal of balancing daily operational challenges and the need for good understanding and training in the challenges seafarers are faced with.”

— Ole Christian Schroder, Scorpio Tankers, Inc.

“...rare convergence of a shipping organization that cares about shipping and protecting the marine environment.”

— Joan Bondareff, Blank Rome LLP

“NAMEPA is a pioneer in the maritime industry; always ahead of the times and breaking boundaries. As a company we are a proud member of NAMEPA and I am personally delighted to be able to serve on its board.”

— Marina Hadjipateras, Dorian LPG
