NAMEPA CHAPTERS

ADVOCATE | EDUCATE | ACTIVATE

Help Save Our Seas by working with a faculty advisor or sponsor to create a NAMEPA Chapter and learn more about the marine environment, promote sound environmental practices and discover career opportunities in the marine industry!

ADVOCATE

Help preserve and protect the marine environment, utilize our education materials and become champions of the marine industry!

EDUCATE

Lead environmental service projects, educational seminars, and activities at your school and in your local communities.

ACTIVATE

Gain leadership experience in new fields and inspire members of your communities to become environmental stewards themselves.
