

North American Marine Environment Protection Association

NAMEPA

JOIN NAMEPA TODAY!

NAMEPA Mission

The North American Marine Environment Protection Association (NAMEPA) is a marine industry-led organization of environmental stewards preserving the marine environment by promoting sustainable marine industry best practices and educating seafarers, students and the public about the need and strategies for protecting global ocean, lake and river resources.

Why NAMEPA?

STEWARDSHIP

Engaging industry, students, communities, seafarers, conservationists, regulators

SUSTAINABILITY

Activating industry and workforce development

SUPPORT

Encouraging community, corporate, industry and seafarer programming

NAMEPA Benefits

- Participation in a network of marine industry organizations promoting sustainable maritime industry best practices
- Collaboration with leaders in industry, government, regulatory, conservation, and educational organizations committed to preserving the marine environment
- Access to community relations programs, educational materials advocating communities and students to be active marine environment stewards
- Endorsement of your company and the maritime industry through leadership and participation in industry events and strategic alliances on a global basis
